

*Hi Tyrone,*

*I hope this message finds you well. I see that you recently started a new position, so I know you may not be looking right now, but you may know someone who would be interested in this great opportunity.*

*I'd love to tell you about the opportunity we have on the table, and see if you may know any quality candidates who may be interested. Can we schedule a brief call for later today?*

*Thanks, and looking forward to connecting with you.*
